**JOURNEY INTO ALL THAT GOD HAS FOR YOU.**  
One Step at a Time.

## The Story & The Journey

# *Pastor Ada Boland*

Ada was born in St George South West Qld, the 6th child of the late Lindsay & Betty Boland (nee Hall). Her mother's clan are the Yuwaalaraay people and her father's clan are the Bigumbul people, extending from Dirranbandi into NSW.

Ada was 15 years of age when God visited her in a physical manifestation and ever since she has lived her life a 100% for Him. She gives herself fully to serve God, the Body of Christ and the community where God places her.

Ada founded and pastored Townsville Community Church which was established in 2004. She pioneered the Church for 11 years as an Ordained Minister with the Australian Christian Churches (AOC). Many people have come to know God through her life during this time and the Church has become very influential in the body of Christ across Australia and in the local community.

Ada has a passion to see people find their God given destiny and purpose in life and

to become all that God intended them to be. She desires people to understand who they are in Christ and to be functioning as purposed in the Body of Christ using their gifts, talents and abilities. Ada's life journey with God has taken her too many Nations like PNG, Indonesia, India, Singapore, Western Samoa, USA, Canada, and Africa to inspire and encourage others to rise and share in all that God has for them.

Her other passion is to see God raise up a new generation of young 1st Nation people of young men and women who will change generational strongholds in their families through the Power of the Holy Spirit working in and through their lives. 2015 was the beginning of the Journey of a God given Vision that launched "INDIGENOUS APOSTOLIC & PROPHETIC VOICE" which has taken Pastor Ada into the Aboriginal, South Sea and Torres Strait Islander communities in Australia, as well as building great partnerships with other churches and lives of people from many cultural backgrounds.

# Financial Partnership

It all started one night in a dream where Ada saw God's head hovering over Australia and He was crying and His tears dropped on the map of Australia. When Pastor Ada asked God why He was crying, God responded: **"Ada, for too long your voice and the voice of your people has been shut down."** God has proven His love for the Indigenous people through dreams and visions and this was a trumpet call for the Indigenous people of Australia to rise.

Women are especially the doorway to the children, the youth, the men and the community. The Indigenous women of Australia are in a strategic place and a time in history to bring their people into right relationship with their Creator. **This vision birthed Indigenous Apostolic and Prophetic Voice in 2015**, which has already been a great influence in many lives throughout Australia.
